FAQ

1. Will the HoM Bakery take away business from local Haitians?

No. Currently the proposed location of the bakery is in an area that does not have a bread store. The bread that is currently purchased in this area comes from a neighboring village.

2. Will the store only sell bread?

No. We have plans to sell Haitian sandwiches in the bread shop.

3. Will the bakery be “take out” only?

No. We are planning to have sitting 6-8 customers to be able to dine in.

4. How will the equity be reinvested?

- *Upkeep on business*
- *Salaries*
- *House of Moses*
- *Small business loans*

Motos, Gardens, etc.

These guys are included in a discipleship/monitorship program that prove themselves to be ready and have the integrity, courage, and respect that we are looking for. For example- 2 guys to start in a discipleship journey with Johnny.

Throughout this time, over a period of time we will help them either with a start up business, attend a trade school, etc.
